“Never fight until you have to. But when it is time to fight, you fight like you’re the third monkey on the ramp to Noah’s Ark…and brother, it’s starting to rain!”

- The Late Great MAGA King, July 2024

In the tumultuous concluding moments of the Last Battle for Liberation against Ahriman’s Great Social Reset, valiant fighters from a coalition comprising the Republic of Texas National Guard, specialized

Federales Units from the former army of Mexico, and a motley crew of unemployed cartel militias alongside dedicated volunteers from the Free Nation Confederation found themselves in a fierce struggle. Amidst the chaos, mercenaries loyal to Ahriman, driven by desperation, scrambled to secure any means of transport that could whisk them away to a new staging ground at the long-abandoned Moon Base Alpha, a

relic from the post-World War II era that had once been constructed by the nefarious remnants of the Nazi Fourth Reich.

The air was thick with tension as the fate of the world hung in the balance, with each side fighting not just for survival, but for the very future of humanity itself.

In his latest artistic endeavor, titled “Red Curry Pancake Paste Addiction,” Emil immerses himself in a vivid

portrayal of chaos, capturing the frantic atmosphere surrounding the final cargo shuttle departure from the war-torn region at the Tulsa Intergalactic Space Port.

With a unique blend of colors and textures reminiscent of his signature style, he evokes a sense of urgency and desperation, as the last remnants of hope scramble to escape the turmoil.

THE RED CURRY PANCAKE PASTE ADDICTION

ART SHOW TOUR

October 19-25th 2024

While many critics of the Starving Artist formerly known as Emil will start and end their attacks by addressing Emil's well-known and long history of addiction without having taken he time to examine the actual art that his addiction fueled him to create.

In cooperation with the Palmdale Chapter of the Jesuits of Truth, WWWG and the Giovanni Metro Stop Gallery, we have assembled a small representation of this traumatic period of his life to better understand the artist.
